Tools

Featuring:
**UZ MagnaForce IV
Premium Quality Drills**

Keep drill inventory organized!
Dispense drills from one centralized location!

A line of superior parabolic flute drill bits manufactured from high-molybdenum steel and heat-treated to provide superior cutting performance in **deep hole drilling**.

UZ MagnaForce IV Premium Quality Drills

Special parabolic flute design

- Fast Chip Removal
- Dissipates heat - keeping bit cooler, thus extending the life of the bit
- Improved coolant flow in deep holes

Tapered web design - smaller at the flute

- Reduces thrust required to penetrate through the work piece

Made from premium Hi-Molybdenum tool steel

- Performs in tough work hardening material applications

Gold surface treated

- Maximum lubricity for less friction

135° split point

- Adds stability to the drilling operation
- Allows for drilling of harder material
- Reduces walking

Three flats on the shank in sizes 3/16" and larger

- Stops chuck slippage

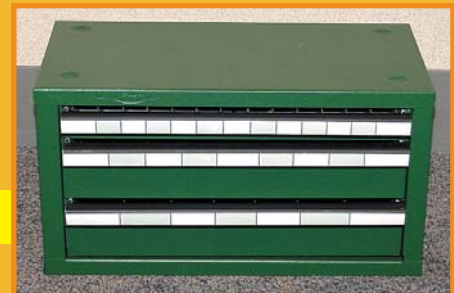

UZ MagnaForce IV Industrial Drill Assortment

Part #00652

29 Fractional Sizes 1/16" to 1/2"
64 Pieces

Contained in a 3-drawer, heavy-duty drill cabinet

Includes 2 FREE metal 29-piece indexes (product not included)
