Speedy Ties

This unique cable tie is an entirely new design in cable management. The SpeedyTie is a fully re-usable, easily releasable lashing tie. The SpeedyTie's unique design allows it to be released with one hand.

SpeedyTie Applications

- | | | | | |
|-----------------------|------------------------|--------------------------|-----------|-----------------------|
| Electrical | Industrial maintenance | Overhead installations | HVAC | Temporary bundling |
| Site storage bundling | Construction | Tubing and pipe bundling | Packaging | Temporary support aid |

Features

- Just one click to tie and untie
- Releasable
- Tail can be neatly tucked away
- Bright yellow color
- Versatile design
- 200 lb. Tensile strength
- Made from 6/6 Nylon

Benefits

- Quick and easy to use
- Can be used over and over again
- Provides added safety
- Makes it highly visible
- Can be used for multiple applications
- Holds heavy cables and other objects
- Extremely durable

Blind Rivet Assortment

- UZ Blind Rivets meet or exceed IFI Spec. #114 standards.
- Secure fastening of thin and thick applications and hard and soft materials.
- Low in-place cost.
- Vibration and tamper resistant.
- Will not harm painted or other finished surfaces.

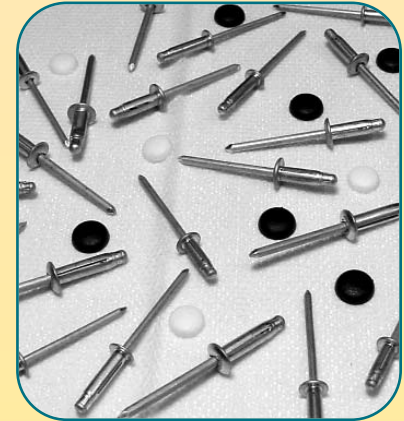

PART #	DESCRIPTION	PRICE
00749	BLIND RIVET ASSORTMENT 12 ITEMS, 1,402 TOTAL PIECES	\$139.99

Flare Grip Rivet Assortment

- Ideal for joining soft, brittle, thick or clad materials.
- Like a Toggle Bolt, it forms a large bearing surface to provide exceptionally high "Pull-Through" values.
- All aluminum for light weight, high strength and good corrosion resistance.
- Each size has an extended grip range, so only five sizes are required to cover a wide range of material thicknesses.
- Can be easily installed with a manual rivet installation tool.

Check out the outstanding features and benefits of the Flare Grip Rivet! Can you use it in your operation?

- Compensates for oversized holes.
- Large blindside bearing surface.
- Stem positively retained.
- Flush mandrel break.
- Excellent clamp-up.
- Smaller blindside clearance than similar function fasteners.

PART #	DESCRIPTION	PRICE
00769	FLARE GRIP RIVET ASSORTMENT 8 ITEMS, 600 PIECES	
00768	FLARE GRIP RIVET ASSORTMENT W/TOOL 7 ITEMS, 500 PIECES	

Avex Rivet Assortment

- **Complete Hole Fill**
The bulbing formation of the rivet will fill slightly oversized or irregular holes, providing increased strength and vibration resistance.
- **Wide Grip Range**
One rivet can be used in multiple thicknesses. This reduces inventories and eliminates operator error.
- **Mechanically Locked Stem**
Stem is locked in shell, eliminating the risk of mandrel head vibrating loose while providing a weather resistant joint.
- **Water Tight**
As the rivet "flows" behind and in front of the mandrel, the stem is positively sealed to eliminate damage from rust, corrosion and other type of water damage.
